### **Dear Subscriber,**

Winter is just about over. The first sign here in Beaufort, SC was the temperature going to 75 last week. We see the reservation activity picking up and the better properties and rooms are already booking for the summer. So book early to make your vacation special.

We've recently added Beaufort, SC to our list of areas we highlight in Southeast Getaway. We are adding new properties, articles, pictures and getaways daily. For those who are not familiar with Beaufort, it was established in 1711 and sits roughly midway between Hilton Head and Charleston. For those visiting Fripp Island, you will travel right through the heart of Beaufort. Check it out and put your comments in the Travelogue.
